

**2013 disAbilities Awareness Challenge**  
 National Jamboree - BECHTEL SUMMIT RESERVE, Beckley, West Virginia

**• CANE MAZE •**

Laid out on a field are 1 1/2" dia. plastic pipes and fittings which define a line - straight and off-set. Somewhat parallel is a second line of pipe 36"-48" apart which define the cane maze trail; **Your task:** You must "walk the pipes" blind-folded, using only a 4' fiberglass wand or white telescoping cane to "feel" the route home. It is a crooked path of 130' in length crowded with many others.

*Take your time and don't panic on this challenge!*
